Resident of the Month: Willie Gibbs

Mr. Willie Gibbs was born on September 5th in Holly Hill, North Carolina. He had a religious upbringing in which he went to church and bible study on Sundays. After graduating high school, Mr. Gibbs became a stock boy in a grocery store. Mr. Gibbs never married or had any children so he devoted his time to volunteering for the Salvation Army and other places, handing out food to the hungry and needy.

Now at the facility, Mr. Gibbs enjoys watching game shows, sports, and westerns on television. He also enjoys socializing with the other residents on his unit and being visited by the activity staff.

From Our Administrator

During the holiday season, we remember just how special it is to work in healthcare. We at Regency are a team of professionals who care deeply for our residents. We form bonds with each and every one of them and for each other. And they take care of us right back, by giving us that smile, wink or hug, just when we need it the most. I am proud and honored to work with such an amazing team of individuals, unique and special in our own little way. Individuals who, together as a team, achieved a 5 star rating from CMS. I wish each and every one of you reading this the happiest of holiday blessings and a very happy and health New Year. **Keep up the great work!**
